Located at 205 N. Peoria, Fulton Market Co. may be a new restaurant and bar in the well known West Loop restaurant but the inspiration started here decades ago. Our father proudly brought home the finest selection of pork, steak and chicken from the butchershop where he worked, inspiring new takes on family classics.Today, we would like to share a taste of our family’s nightly dining experience with you by providing share-able plates, a laid back casual restaurant atmosphere, craft beers, and classic cocktails. Come as you are, you are welcomed here at Fulton Market Co.
